

## International Technical Symposium on Animal Welfare in Meat Production of Ruminants, 2022 PAPER TEMPLATE

### **Title** (centred and bold):

Surname1, Initial; Surname2, Initial; Surname1, Initial (e-mail of the responsible author) (centred)

1Postal address. 2Postal address (centred)

(1 blank line)

### **Key words:**

Species, type of animal, field of knowledge (Text justified, maximum 6 key words)

(1 blank line)

### **Abstract:**

Schematic description of objective, methodology, results and conclusions (Justified text, maximum 600 characters (no spaces))

(1 blank line)

### **Abstract:**

schematic description of objective, methodology, results and conclusions in English (Justified text, maximum 600 characters (no spaces))

(1 blank line)

### **Introduction** (centred and bold):

(1 blank line)

(Justified text throughout the document) Briefly present the background that has given rise to the objective of the experimental work, which should be clearly stated.

(1 blank line)

### **Materials and Methods** (centred and bold)

(1 blank line)

(Justified text) Specific elements of the experimental design, study factors and variables, and statistical analysis used. References may be used.

(1 blank line)

### **Results and Discussion** (centred and bold)

(Justified text) Explanation of the detailed results in the necessary Tables and Figures (to be included at the end of the document). Discussion analysing the results in themselves and compared with other works, without speculation.

The bibliography cited in the text will be indicated as author and year of publication as follows: one author (Author1, 2000), two authors (Author1 and Author2, 2000) or more than two authors (Author1 et al., 2000).

(1 blank line)

### **Conclusions** (centred and bold)

(1 blank line)

(Justified text) Maximum of 6 conclusions per paper, chosen and written in a synthetic form.

Conclusions should be numbered, with a maximum of two lines per conclusion.

(1 blank line)

### **References** (centred and bold)

The name of the journals may be abbreviated and only the first author may be named if there is no space.
